

Corvettes and Caffeine June 1st, 2013

Another 'Great' time at Corvettes and Caffeine on Saturday, June 1st!

105 Corvettes, 140 cups of coffee, 10 dozen donuts, 3 dozen bagels and 4 cases of water! The weather is heating up, 90+ degrees by 10am. Even with the 6:30am start time, Corvettes were arriving just after 6am! Each Corvettes and Caffeine seems to be getting better and better, with lots of familiar faces and more and more 'new' faces each month.

The highlight of this Corvettes and Caffeine was the unveiling of #223. (See Sidebar/Pic's)

Special 'Thanks' to all the ACE (Arizona Corvette Enthusiasts) members, the members of SCC (Scottsdale Corvette Club), all the other valley clubs that were represented, and, 'Of Course', our Preferred Customers for the great turnout and support!!

This Corvette had been stored away in a garage for over 12 years. CPAZ would like to thank Garry Mion, CCA, SACC, NCRS and CPAZ/ASL 'Charter Member', for his time and effort in bringing #223 'Back to Life'.

While #223 spends its days in our showroom, we are using it as a daily driver to insure all the mechanicals are working properly and 'stretch its legs' a bit.
