Corvettes and Caffeine March 1st, 2014

We keep saying "What a 'Great' time at Corvettes and Caffeine"! We have always listed it as a 'Rain or Shine' event and (except for a few 'sprinkles' on September 7th, 2013), we have had 23 Saturday Mornings with no rain. Almost a 'perfect record', on Saturday, March 1st. Light rain for 20 mins or so around 7:00am, nothing for about an hour, 15 mins of rain at 8:15, then nothing until around 12:noon, when it started to pour.

The support Corvette Arizona gets from the Corvette community is always 'outstanding'!! Even with the rain, we had 83 cars (43 Corvettes) and 110+ people. It was a great time, with most people staying inside and sharing each others stories and company, the ACE members in the shop installing a splitter and side panels on a C6, almost a 'Full House' in our clinic, and everyone enjoying a few extra Donuts and Bagels, talking with our vendors.

190 cups of coffee, 11 dozen donuts, 3 dozen bagels and 2 cases of water! Even with the rain, one of our 'Usual Suspects', Jay Kearns was there a 6:00am. Guess he can't say his '96 Grand Sport 'Has never been driven in the Rain' anymore!

We had lots of familiar faces and a few 'new' faces this month. Special 'Thanks' to the members of DCA (Desert Corvette Association), Rim Country Corvettes, Scottsdale Corvette Club 'and', the great turnout (as always) from the members of ACE, (Arizona Corvette Enthusiasts).

Our second 'Preferred Customer' Clinic of 2014 was 'Fluid Maintenance', featuring Danny Smith from Legends Auto Repair. Danny is a GM Master Certified, XLR Master Certified and ASE Advanced Certified Technician.

Great turnout, almost 40 PC's in the Club Room. Lots of 'Positive Feedback', and lots of good information on the art of detaining.

A special drawing was held for a \$50.00 CPAZ 'Gift Card'. The winner was William Thurber, Preferred Customer #100956, from Phoenix.
