

Preferred Customers

Our 'Preferred Customers' are the reason for our success!

Is it the Parts Price Discount? Is it No Shipping Charges? Tasty Beverage in our 'PC' Lounge? Free use of the Lift in our Service Shop?

Whatever the reason, we are grateful for all the support!!

Corvettes & Caffeine

With the mornings starting to get cooler and the later sunrise(s), the start time for our fall, winter and spring Corvettes and Caffeine will be 7:00am.

Please, RSVP for our Corvettes and Caffeine events if possible. The RSVP allows us to plan for coffee/bagels/donuts so there is enough for everyone.

Sales in Review

August was an 'Excellent' month, just missing our 3rd Best Month Ever by less than \$1k.

With the shipping issues coming to an end, we see better than expected sales for September.

We are on track for a double Digit increase for 2015.

UPS Shipping Issues

Looks like the UPS/Teamsters issue has been resolved and inventory is starting to arrive on a more regular basis. We receive parts by FedEx in a 3-5 day schedule from just about anywhere in the country and 7-9 days for UPS.

Damage seems to be considerably less as well, which reduces the costs of reshipping inventory due to damaged product.

The final issue is getting caught up on back-orders that were delayed due to material(s) held up in Long Beach. The final orders for Carpet. Floor Mats and car Covers should be caught up by mid October.

Many 'Thanks' to our Preferred Customers for your patience.

Extended Warranties

Our 'Extended Warranty' program has been very well received.

C7 Corvette Parts

GM is still holding back the licensing for many C7 products. While there seems to be some non-licensed products available on eBay, many of the items advertised in our vendors catalogs or online are often back-ordered due to limited or no availability.

We will continue to add C7 products as they become available.

The 'HKNML'

The Howard Katz 'Not Memorial' Library

We are trying to build a 'complete' set of GM Shop/Service Manuals and Assembly Manuals for the HK'NM'L.

We have had several Service/Shop Manuals donated to the store, but we need lots more.

If you have any old Shop/Service Manuals, you no longer have use for, let us know.

Excellent Coverage, as well as very competitive rates, have helped with sales.

Extended Warranties are available for just about any year Corvette. While the older cars can get 'Power Train' only, the newer ones have 'Ultimate Plus' Coverage available, which covers virtually all major components. These warranties are also available for almost all vehicle makes and models.

Call for price and availability!!
